Holiday Inn Gaithersburg helps celebrate the GGCC 60th Anniversary

The Holiday Inn Gaithersburg sponsored the February Business Networking After Five in an effort to celebrate their new renovation – “Change is Inn” and the Gaithersburg-Germantown Chamber of Commerce (GGCC) 60th Anniversary.

At the GGCC Business Networking After Five, the Holiday Inn hotel staff greeted over 70 Chamber members and guests to their “tropical” networking evening poolside.

They had a wide spread of tropical treats including pork sandwiches, guacamole and shrimp appetizers and pineapple and chicken skewers. Additionally, they presented the GGCC with a 60th anniversary cake created by Custom Cakes.

“It was a great evening and the 60th Anniversary cake was such a nice and symbolic treat to help us celebrate 60 years,” said Laura Rowles, Director of Events & Marketing for the GGCC. “We appreciate how gracious the Holiday Inn has been as a sponsor over the years and we look forward to another year of business partnerships that promote both our members and their hotel.”

In late 2007, the Holiday Inn began a momentous project - the comprehensive renovation and modernization of our hotel. This project included a complete upgrade of the exterior and substantial improvements to our interior. With a budget of over \$9 million, their goal was simple: make the hotel’s physical facilities attractive, modern and welcoming, while providing superior service and products to our guests and clients.
